

Please note that Gnowee endeavors to provide Gnowee users with as many full, published guidelines as possible. However, providing published guidelines is subject to copyright laws and regulations. Only copyright-free guidelines or those with journal consent for distribution are available for inclusion in Gnowee.

If full guidelines are not available copyright-free, Gnowee will provide a link to the website or journal, if possible, at which the full publications can be viewed or purchased.

The guideline you have selected for viewing is not available for distribution.

Use of Interferon-gamma release assays in support of TB diagnosis. Europe. 2011

Please visit the following website to view the guideline:
