

Please note that Gnowee endeavors to provide Gnowee users with as many full, published presentations as possible. However, providing published presentations is subject to copyright laws and regulations. Only copyright-free guidelines or those with journal or author consent for distribution are available for inclusion in Gnowee.

If full presentations are not available copyright-free, Gnowee will provide a link to the website or journal, if possible, at which the full publications can be viewed or purchased.

---

The presentation you have selected for viewing is available for viewing only through the copyright-holder:

**"QuantiFERON-TB Gold In-Tube: Applications and Keys to Accurate Performance." Dr M. Binnicker. Mayo Medical Laboratories. *Hot Topics by Mayo Clinic Experts*. 2009.**
